JOHNNY'S TAVERN

Our Story

In 1953, Mr. John Wilson took over the original building in Lawrence from his father, "Slim," and Johnny's Tavern was born! It became a haven for the working man with plenty of cold beer and Country/Western music on the jukebox. The big red arrow and the giant beer mug sign were proudly placed out front where they still hang today. It was the beginning of what is now a destination that proudly boasts the "LONGEST RUNNING TAP IN TOWN."

For 25 years "Big John" was the master of this house, and this era created the legend that is Johnny's Tavern, which now has eight locations in Lawrence and the Kansas City area.
